**PHARMACOVIGILANCE COMMITTEE**

**Preamble:** Government of India initiated Pharmacovigilance programme of India under CDSCO in collaboration with IPC to increase awareness about adverse drug reactions. As per the National Medical Commission it is essential to constitute Pharmacovigilance committee in every medical College to monitor adverse drug reactions (ADRs) and ensure the safety of medicines in the country, thereby improving patient safety. Therefore, all below referred members have been nominated in the Pharmacovigilance committee of SPGMC, Mandsaur.

**Goal:** The goal of committee will be to increase awareness about identifying and reporting ADRs among all health care providers.

**Objectives:**

1. To report ADRs reported by healthcare providers to nearest AMC.
2. To educate Medical and nursing students about importance of ADR reporting.
3. To evaluate benefit-risk profile of medicines.
4. Communicate findings with all key stakeholders
5. To generate evidence-based information to improve patient care and safety.

Tenure of Committee: June 2024 to June 2025 (One Year)

Meeting: Once in 3 months
