Dr Rajanish Kumar Sankdia

S. No.	Post during which publication occurs	Title
1	2	3
1.	Assistant professor	A cost variation analysis of oral and topical antifungal agents available for the treatment of superficial fungal infections in India – an insight to the rising treatment cost
2.	Assistant professor	An observational cross-sectional study to evaluate the preference and perspectives of undergraduate MBBS students' regarding audiovisual aids – Chalk and board versus PowerPoint presentation
3.	Assistant professor	Exploring the knowledge and perception towards generic medicines among undergraduate medical and nursing students – A questionnaire-based comparative study
4.	Assistant professor	A cross-sectional study to evaluate the drug prescription pattern of outpatient department patients in tertiary care teaching hospital
5.	Assistant professor	Prescribing trends of fixed dose combinations in a tertiary care teaching hospital of Bhopal district
6.	Assistant professor	A Questionnaire Based Study Regarding the Knowledge, Attitude and Practice of SelfMedication Among Second Year Undergraduate Medical Students
7.	Assistant professor	Attitude of medical students towards the use of audio visual aids during didactic lectures in pharmacology in a medical college of central India
8.	Post- Graduation	ANTINOCICEPTIVE ACTIVITY OF NON-ANALGESIC AGENTS AND THEIR INTERACTIONS WITH TRAMADOL AND DICLOFENAC IN RATS
9.	Assistant professor	Evaluation of Anxiolytic Activity of Ondansetron in mice models- An animal experimental research
